

Dear Valued Patients,

This letter is to inform you that effective July 3, 2026, Andrew de Jong, MD, will be retiring from practice at Texas ENT & Allergy. Our team of ear, nose, and throat specialists would be honored to continue providing you with care at our offices.

You have a choice when selecting your health care team. The full offering of comprehensive ear, nose, throat, allergy, and hearing services will continue to be available to you at Texas ENT & Allergy. Should you wish to continue your current care plan and schedule an appointment with another of our physicians, or if you have questions about your current treatment options, please contact our office at (979) 693-6000.

Your medical records will be retained at Texas ENT & Allergy in accordance with applicable laws and regulations. You have the right to obtain copies of your medical records at any time by completing our [Authorization to Release Health Information](#) form or by submitting a written request to:

Texas ENT and Allergy
1730 Birmingham Road
College Station, Texas 77845

Thank you for trusting your ENT care with our practice. For questions regarding your care or medical records, please contact our office at 979-693-6000 or through the patient portal.

Sincerely,

The Texas ENT & Allergy Team
